SUPERINTENDENT'S REPORT

To the School Board and Citizens of Grantham:

I am pleased to submit herewith my eighth annual report as Superintendent of Grantham Schools.

The enrollment in the schools for this year is substantially the same as heretofore but with a slight increase in both schools.

TEACHERS

There were two changes in teachers in the Grantham schools. In Grantham Village, Miss Hazen's place is taken by May Knight, a graduate of Keene Normal School in 1932; at the North Grantham school Miss Hambleton's place is taken by Ina Bombard, also a graduate of Keene Normal School in 1932. The grammar room in the village school is being conducted on the same high plane by Mr. Norman Young. The two new teachers are proving their worth and bear testimony to the work that the Normal Schools are doing in producing teachers so well able to settle down to the work at the start of the year.

GENERAL STATISTICS

The total number of children registered in the Grantham schools for last year was fifty-seven. Two of these had previously registered in some other district in the state. The per cent of attendance was ninety-five and one-half. Six pupils were neither absent nor tardy although there were twenty-seven cases of tardinesses during the year. No children had to be transported to school which assisted in keeping expenses down. The register summary shows that eleven visits were made to schools by school board members, fifty-two by the Superintendent of Schools and sixty-

five by citizens of the town. The School Board held four meetings during the year in addition to a few informal conferences.

MINOR REPAIRS

Something needs to be done to the chimney at the Grantham Village school in order to prevent creosote from leaking through on to the desks during rain storms. This building was shingled last summer which puts it in comparatively good shape.

FINANCES

The budget as prepared by the School Board is somewhat less than a year ago. This is due primarily to reduction in the salaries of teachers and the superintendent and in the high school tuition payments. There are some minor reductions in other items. The state aid is approximately the same as it was a year ago.

CONCLUSION

Allow me to thank the teachers and school board for their cooperation and assistance.

Respectfully yours,

WM. J. ENGLISH, Superintendent.
